

Tartar Teen Talk

By Julia Takayama

Thursday, the Torrance High gym rocked with cries of surprise as the 1965 Homecoming Queen and Court were announced at a pep rally. This year's queen will be Cheryl Barnett. Attending Cheryl will be princesses Ana Maria Bezerra, Robin Bingham, Sharon Coffee, Kathy Lynch, and Judi Rynhart. As our foreign exchange student, Ana has been named as honorary princess. Since an American Field Service policy discourages voting on exchange students, she has been given this title so that she may still be on the court. Congratulations to six truly deserving girls!

After the Homecoming game against the Morning-side Monarchs, a dance will be held to honor the court and to welcome alumni. The dance will be held at the Torrance Recreation Center. Remember, that's Torrance High's Homecoming, Nov. 19.

FRIDAY, the Tartar Ladies will be sponsoring a sports night in the boy's gym from 7 to 10 p.m. Since there will not be a game that night, they are hoping for a large turnout. Let's all get out for an evening of fun and exercise for only 25 cents. Tickets are now on sale. See you there!

Open competition among the THS students is now being held by the Student Council for designs for a victory flag. This flag will be raised to announce Tartar victories in athletic events.

SENIOR Kick Faeth was awarded the player of the week trophy for his fine performance in the Leuzinger game.

Last Friday the Tartar Varsity was defeated in an afternoon game by the Beverly Hills Normans. The final score was 21-15. This week we'll again play in an afternoon game. The Varsity will go against Rolling Hills Friday at the Titan field at 2:45. Our Tartar Hares also will be meeting Rolling Hills in

(Continued from page C4) Prof. John Martin of Princeton — so that's all we needed. The Palace is one of the hardest places to find in Rome and after two hours of searching, we found it and learned that it was closed on Sundays. Not to be outdone, we returned the next day and "sailed" past the open iron doors. The custodian at the gallery entrance stopped us though — it was being redecorated and would be open the day after we were scheduled to leave Rome. I can't have the same luck next time!

Captain Glogowski and other crewmen were recognized for their outstanding efforts in the PRIDE program designed to reduce operational costs and increase unit efficiency and combat readiness.
